

Shewana's Country Day Inn is a private facility dedicated to providing a unique "boarding" experience for our Shewana bred shepherds and their guests.

When you bring your dog to stay with us, it will be like "coming home". Your pet will be welcomed with open arms - just like at Grandma's house.

There will be lots of good food, treats, exercise, and fun. We will keep your pet clean, his "room" comfortable and his "bed" made.

And, just like at Grandma's, no bad manners will be tolerated. That way everyone will have a great time.

At Shewana's Country Day Inn, good dogs rule... others just drool!

SPECIAL PROGRAM FOR PUPPIES

We are proud to offer new owners our customized Puppy Boarding Service!

Because young pups are so impressionable, it is very important that they be treated with the utmost care. Negative experiences must be avoided while positive learning experiences are introduced.

Being in a familiar place with people your pup knows will offer a sense of comfort and safety. Pups receive lots of attention, play time, and, most of all, love.

Bring your pup to us while you travel and you can be sure he will have a great time!

How Does It Work?

Boarding

In order to complete the chores required to maintain our kennels and care for the dogs & pups we have established the following requirements.

Business Hours

All visitors must have a confirmed reservation. There will be no exceptions to this rule. Scheduled hours for "Drop off" and "Pick up" are:

Monday - Friday

8:00a.m. to 1:00 p.m.
5:00p.m. to 7:00 p.m.

Saturday – Sunday

8:00 a.m. to 11:00 a.m.
4:00 p.m. to 6:00 p.m.

Holidays By Appointment Only

By scheduling the arrival and departures of visitors we ensure that there is more "Quiet Time" for our "Guests" to relax and settle. Limiting traffic allows us to complete our tasks and to spend more quality time with each Country Day Inn "guest".

Vaccinations

At the time of check-in we require written proof from your veterinarian that all of the following vaccinations are current:

- Rabies
- Distemper
- Corona
- Parvo
- Leptospirosis
- Bordatella.

NO EXCEPTIONS WILL BE ALLOWED!

Vaccination records may be faxed to:
